

Arch Insurance Group, a primary leader in the statutory disability and paid family leave markets, has an insured product to meet the specifications of the Massachusetts PFML law. The product is built specifically for Massachusetts employers who wish to file for a private plan exemption.

Massachusetts Law

All Massachusetts employers are automatically enrolled into the state plan for PFML coverage. MGL c.175M Paid Family Medical Leave establishes a system for paid family leave.

Employers who file for a private plan exemption and receive approval from the state will be exempt from state contributions beginning the first date of the quarter immediately following. Employers will remain exempt from state contributions for any future quarters in which they retain an approved private plan for their employees. Employers who file for an exemption that is approved by the state must show proof of a private plan.
