Key Benefits

Expertise & Collaboration - Foreign Package Client Team

Our experienced Foreign Package and Defense Base Act claims professionals are embedded in the Arch client team for a holistic approach that provides broker and client full access to all Arch resources.

- Formal relationship kick-off and coordination meetings with all team members lay the foundation for a true partnership.
- Expressly dedicated to helping our insureds navigate multiple jurisdictional environments, all claims situations and response (before and after a claim occurs) throughout the partnership.

Partnership - Underwriting

Our disciplined underwriting approach leads to customized, compliant and tailored programs for our clients.

- Understanding of jurisdictional nuances.
- Long-term partnership.
- The same Arch underwriter can simultaneously quote Foreign Voluntary Workers' Compensation and Defense Base Act coverages along with our Foreign Package product.

Transparency - Claims and Risk Control

Each client is on-boarded with a dedicated claims advocate that will be its client resource throughout the partnership. Risk control service model is focused on advance planning, data analytics, program assessment, service plan execution and constant communication.

- Dedicated CAM is primary point of contact for all service related needs and claims consultation.
- CAM is supported by a team of technical experts who work together and provide continuous support.

People First - 24/7 Global Assistance and Evacuation

Fully integrated services provided to deliver exceptional care wherever you are.

- Insureds are fully engaged in all evacuation response and decisions in real time.
- Full access to an international network of trained medical response professionals on the ground, in the skies and on the phone.
- Fully funded assistance for crisis events such as global pandemic, terrorism and violent crimes.
- Technology platform available to provide location-based travel tracking and two-way communications through a web-based portal and mobile app.
