About Arch Insurance International

- Arch Insurance International, part of the Arch Capital Group, is a market-leading insurer located in the UK. We provide a range of property, casualty, and specialty insurance for corporations, professional firms, and financial institutions across the UK, Europe and Internationally, with a significant presence in the Lloyd's and London Underwriting market.
- Arch Insurance recognises the need to be a digital insurer and as such has shifted focus from traditional technology initiatives to agile driven digital initiatives, leading the commercial & specialty insurance space. Arch offers an entrepreneurial work environment that empowers the individual and encourages constant learning and growth.
- People are at the centre of everything we do at Arch, and we are passionate about investing in the future talent of the insurance industry and providing early career paths where everyone can thrive. Our range of UK early careers programmes include summer internships, commercial insurance apprenticeships and graduate programmes.

Actuarial Graduate Programme

- Are you a passionate, focused current final year University student, or recent graduate looking for an exciting Actuarial opportunity within a market leading insurer located in London? If so, Arch's 2-Year Actuarial Graduate Programme could be for you!
- At Arch Insurance, we're passionate about investing in the next generation of talent. That's why our Early Careers Programmes are designed to do more than just open doors - they're built to launch meaningful, impactful careers in the insurance industry.
- From day one, you'll be empowered to contribute, grow, and make a difference. Each programme is crafted to give you the tools, experiences, and support you need to thrive.
- You'll spend time across our Actuarial teams, where you'll receive full training and development to help you discover what a career as an Actuary in the London Market can look like.
- *The programme will commence September 2026, and we welcome applications from current final year students/recent graduates from any **mathematics, actuarial or related degree discipline**.*
- The Graduate Programme journey will provide you with:
 - An enriched experience of the different areas within an Actuarial function
 - Knowledgeable mentors
 - The knowledge and skills required to be successful
 - Learning and development opportunities
 - Support and time dedicated to studying towards your Actuarial qualifications (Institute and Faculty of Actuaries – IFoA)
