An aerial, high-angle view of a dense city skyline, likely New York City, with numerous skyscrapers. A large, semi-transparent '20' is superimposed over the center of the image. The lighting is dramatic, with a bright light source creating lens flares and illuminating the scene from the upper left.

Our Underwriting Service Approach

Curious About Risk

We aim to navigate the evolving risk landscape with agility, understand our brokers' and insureds' goals and be proactive in exploring new opportunities.

Solution-focussed

As specialists in our fields, we work hard to understand our customers' nuanced needs and work collaboratively with our brokers to deliver the most effective solutions.

Passionate About Service

We're empowered to make swift and informed decisions, communicate clearly and value face-to-face interactions to ensure responsive and accessible service.

A Dependable Partner

We seek to build enduring partnerships built on trust and integrity and work closely with our claims team to ensure holistic solutions for our customers.

Our Claims Service Proposition

Speed

We view speed across every phase of the claims lifecycle as essential to meeting broker and customer expectations.

Relationship

We are committed to building trusting, responsive and collaborative relationships with our broker partners.

Expertise

Our dedicated, experienced and knowledgeable claims teams are empowered to act quickly and decisively and apply a fair, straightforward and professional approach to every claim.

Customer-oriented

We take a pragmatic and inclusive approach that is empathetic to our customers' circumstances.

Communication

We understand the importance of proactive and continuous communication to share insights, manage expectations and maintain trust.

Pursuing Better Together®

It is our promise to
our strategic partners to:

Listen, share insights and
work together to deliver
informed solutions.

Build trusting, respectful
and responsive relationships.

Understand your goals and
explore possibilities together.
