OUR APPROACH TO TECHNOLOGY

- A simple, flexible and transparent online quoting and fulfillment system
- A platform that allows you to scale your A&H book of business
- A digital experience that allows you to more efficiently manage your in-force book of business
- A combination of an industry leading digital platform with traditional face-to-face support

REINVENTING AND ENHANCING YOUR SERVICE

The Arch online experience will change how you serve the Small, Middle Market and Specialty business segments. This is a vastly under served market, often because traditional underwriting and issuing policies are inefficient.

We are changing that.

Portal Highlights

Quote, Bind and Issue in Minutes

Create a quote for your clients in just minutes. With basic client information, details about covered classes, and less than 10 questions, you can quickly create a quote for accident insurance.¹

Immediate Access to Documents

In addition to premium amount quoted, you will have immediate access to an application to forward to your clients, the policy document with terms and conditions, and (if applicable) information on assistance services for travel-related plans.

Access Open Quotes

Quickly look up quotes that are outstanding and open.

View Policies & Claim Status

Easily access proposed policies to email to clients, as well as look up the status of claims. Immediate access to both is a valued aspect of maintaining client relationships.
