

Accident, Sickness & Travel

Products Available

Group Personal Accident & Sickness

This product is designed for corporate clients and protects the business against financial loss if a key member of staff was unavailable for work due to accident or an illness. Limits up to £2m any one person and £10m any one event. Premiums start from £350.00 +IPT.

Individual Personal Accident and Sickness

This insurance is specifically designed for self-employed people who wish to cushion the financial blow following an accident or sickness outside of work. Cover can be arranged on either an employed or self-employed basis. Premiums start from £250.00 +IPT.

Group Business Travel

Our Group Business Travel insurance protects both business and employees against losses, including providing the security of medical emergency cover whilst on an insured journey.

Retail Travel

Our Retail Travel package provides cover for individuals and Families and can be purchased on either a single trip or annual multi trip basis. The product includes up to £10M Medical Expenses and offers medical screening at the point of sale via the Arch Portal.

Target Market

- Our preference is for white collar occupations/industry sectors.
- SMEs and mid-size corporations based in the UK.
- Individuals resident in the UK.
- Schemes, Associations and member groups.
- Individuals and families travelling to Europe and the rest of the world.
