

New Product Launch: Q2, 2022

Commercial Combined Insurance

Introducing our new Arch Insurance Commercial Combined wording

Our new Commercial Combined product offering has been significantly enhanced (in line with key broker feedback), making it one of the market-leading solutions for UK businesses.

Key Features

- Coverage on an "All Risks Basis".
- Clear, consistent, and easy to follow language.
- Broader coverage including, enhanced limits, new extensions and wider definitions.
- Average free (subject to a RICS valuation).
- Clear scope of cover through defined causation language.
- Focus on risk management to help your customers manage their business assets, for example managing electrical installation, hot works and fire safety within the policy obligations.
- Modernised and restructured wording including the use of hyperlinks to help your customer navigate the wording.
- Wider range of standard and optional extensions.

Your clients will be supported by our:

- In-house empowered and experienced claims handlers, servicing property, liability, major and complex loss claims.
- Majority of new claims registered and first actioned within two working days.
- Robust supplier management network.
- In-house team of qualified solicitors.
- Access to leading UK loss adjusters.
- Market leading claims software (Guidewire), providing an end-to-end claims management solution.

Target Markets
