

## Solving Complex Risks: Providing products-led liability solutions

At Arch Insurance, we look to underwrite complex risk from cars to cosmetics, research to renewables, medical to military & defence. If your client's risk is product/public liability-led, then let us see if we can solve it for you, through either a stand alone or within a combined offering.

### Key Features

- Commercial package and standalone policies offered.
- Claims Made.
- Environmental impairment liability.
- Legal expenses insurance including cover for contract disputes.
- Quick decision-making and turnaround times.
- Access to a range of added value services, including online production of health & safety plans, business continuity plans, telephone help lines providing legal and health & safety advice and employee counselling.
