

Meet the Team

Surveyors

Our team of risk surveyors is comprised of highly skilled and experienced professionals who are dedicated to providing exceptional risk assessment and management services to our clients.

Alan Williamson
UK Survey Team Manager
Scotland

Alan is a Chartered Insurer and a Technical Member (TechIOSH) of the Institute of Occupational Safety and Health. He has been an insurance surveyor for 35 years in the Insurance industry, and has been part of Arch since January 2019. Alan is based in Glasgow and is responsible for managing the survey workload in Scotland and part of Cumbria.

Jon Hughes
Senior Risk Control Surveyor
Midlands

Jon is a Senior Risk Control Surveyor, with thirty years industry experience. Having worked for over 25 years working within the Insurance Broking market, Jon moved over to surveying in 2021 and joined the Arch team in September 2023. Jon is based in Birmingham and responsible for managing the survey work state in and around the West & East Midlands.

Ian Parkinson
Senior Risk Control Surveyor
East Midlands & South Yorkshire

Ian brings extensive experience in engineering, health and safety management, and risk assessment. With a background in the Royal Air Force and various industries, Ian has conducted numerous property and liability surveys worldwide. Before joining Arch in 2023, Ian held positions at Lockton and Aviva, further strengthening his knowledge in risk management and compliance.

Steve Walker
Senior Risk Control Surveyor
North London and Northern
Home Counties

Steve Walker joined Arch in May 2024 as a Senior Risk Control Surveyor to cover the East Anglia area. Prior to joining Arch, Steve was a self-employed Risk Control surveyor for 23 years and prior to that a surveyor for ten years with Guardian Royal Exchange.

Ian Wallsgrove
Senior Risk Control Surveyor
South London & Southern England

Ian Wallsgrove joined Arch in February 2023 as a senior risk control surveyor. Based in Kent Ian specialises in risk control surveys in the Southeast Region. Ian has almost 40 years industry experience which includes high net worth property surveying. Ian is Dip CII qualified and holds a NEBOSH General Certificate in Occupational Health and Safety.

Mark Rennie
Technical Manager
Risk Control

Mark joined Arch in January 2020 and is an ACII qualified Chartered Insurance Risk Manager with more than forty years insurance experience (including ten years running his own consultancy business), specialising in risk control and loss prevention since 1989. He is responsible for managing the survey workstate in the South West and South Wales; providing technical support, guidance and training to UK Risk Control and Underwriting teams; and auditing reports from external survey providers.
