

MARINE HULL

Introducing Marine Hull

Our Marine Hull & Machinery product targets UK commercial vessel owners and operators. Our appetite includes fleets and singletons trading around the UK and Western Europe. We also offer cover for marine vessel construction including both commercial and pleasure craft.

We understand vessel operators undertake a variety of different marine roles, own different vessel types meaning one solution does not always fit all. Cover based on recognised marine market clauses provides all the key features customers expect.

Product Benefits

- Fleets and singletons, with values up to £5m per vessel.
- Quick response to enquiries.
- Use of recognised marine market wordings, such as Institute clauses.
- Cover for physical damage, GA, salvage, sue and labour.
- Vessel construction includes cover during sea-trials and the costs of completing a launch.
- Cover may be available for Protection & Indemnity and Loss of Hire.
- Risk management solutions can be made available.
- In-house claims service.
