

Commercial Combined

Our new Commercial Combined wording: 2024

Arch's improved Commercial Combined product offering now includes increased limits of cover and offers tailored cover with a renewed focus on risk management for the evolving needs of your customers and their businesses.

Key Features:

- Streamlined insurance that is simple, uncomplicated, and easy to understand.
- A modern and innovative wording for simple navigation of the policy using quick links to core product features.
- Comprehensive coverage on an "All Risks Basis" for a variety of business specific risks, including an alternative "Claims-Made Basis" coverage for Products Liability.
- Average free (Subject to RICS valuation) included.
- Enhanced limits, extensions and definitions.
- Added value to the customer by including our intuitive Risk Management Tools, Arch Risk Management or Arch Risk Management PLUS platforms to help leverage the customer's management of risks and business assets.
- Customer focused risk management to assist in the management of business assets through policy obligations, for example: managing risks associated with electrical installations, fire safety or hot works.

Our specialist claims team:

- In-house empowered and experienced claims handlers trained to service all our customers' claims needs.
- Access to a robust supplier management network.
- Access to leading UK loss adjusters.
- Customer first claims proposition from FNOL, where the customer is provided with a dedicated claims professional to assist and guide the customer through the whole claim lifecycle.

Target Market:

Electronics manufacturers.

Plastic injection and extrusion.

Precision engineers.

Retail.

Services (offices).

Warehousing and Distribution.

Important Notice to Brokers
