Guidance Notes – Baggage, Personal Effects, Money and Documents

Most delays in settling claims arise because claim forms are not fully completed or requested documents are not sent to us. We would therefore ask you to answer all questions (dashes and spaces cannot be accepted). You should read and sign the declaration and refer to the guidance notes overleaf for details of what we require.

If you are unable to supply any of the requested documents, please include a separate note explaining why this is, to enable us to help you more quickly.

Please return the completed claim form to your Insurance broker. Thank you for your co-operation.

In all cases, original documents must be provided. We are unable to accept photocopies.

It is important that you provide evidence to support ownership and value of items, but we appreciate that this may not always be possible. In some instances you might be able to provide photographs of the items being claimed for. These may help us in our assessment.

- A copy of your Certificate of Insurance.
- Original purchase receipts for items claimed.
- Guarantee cards or instruction booklets for audio, video or photographic equipment, watches or other items usually subject to a manufacturer's guarantee.

- Bank documentation in support of claims for money.
- Receipts for purchases made as a consequence of the loss. Please note that these will be required for delayed baggage claims and for claims in respect of additional expenses incurred in replacing a lost or stolen passport.
