Risk Control
Middle Market Construction

archinsurance.com

Arch Risk Control provides expertise and innovation to support our Middle Market Construction Clients. Our flexible service approach is founded on sharing in-depth industry knowledge and thoroughly understanding your business to create tailored solutions for improved performance and results.

COLLABORATIVE APPROACH

- Our Middle Market Construction specialists collaborate with your risk management and safety team to bring targeted solutions based on best practices.
- We actively listen to your needs and align our risk control solutions.
- Our goal is to support your risk management and safety goals and objectives to improve efficiencies and profitability.

PRACTICAL SOLUTIONS

- Our consultative approach integrates our insurance perspective into your existing risk management programs.
- We seek to understand your challenges and create opportunities to leverage our combined strengths for the best outcomes.
- We focus on proactive, results-oriented solutions.

SPECIALIZED SERVICES

- Our holistic approach identifies operational risks and leverages opportunities.
- We bring our construction industry experience and data analytics to prioritize meaningful improvements.
- We have built industry alliances to address your everyday risks and help you achieve your goals.

COMPLIMENTARY RESOURCES

Arch Insurance policyholders receive complimentary access to Arch Insurance's Risk Control Portal – a comprehensive platform provided by Zywave – that contains a wide range of high-value tools and interactive applications designed to help insureds with a variety of safety, risk management, HR and compliance issues.

FOCUSED ALLIANCES

Additional resources bolster policyholder safety and risk management programs through discount arrangements:

- Continuous Motor Vehicle Record (MVR) monitoring.
- Vehicle telematics and camera system.
- Mobile device blocking and distracted driving management.
- Hand-held apps.
- Crisis management and mental health services.

TARGETED CAPABILITIES & SPECIALTY SERVICES

- Access to 3rd party specialized vendors for health, safety and industrial hygiene services.
- Quality Control/Quality Assurance review and consulting.
- Contractual Risk Transfer for both upstream and down stream contracts.
- Department of Transportation (DOT) and general fleet risk management services including training and consulting.
- Work Zone Liability Management.

Arch Risk Control Directors have an average of 25 years of experience. We focus our industry insights and data analytics to prioritize meaningful and actionable improvements that increase profitability and efficiency.
