Arch Insurance's Excess Workers' Compensation team is comprised of professionals with an average of 20 years of experience, who are deeply committed to the self-insured market providing coverage to individual and self-insured groups within our target classes of business. We enter into partnerships with a long-term view and seek to build committed relationships with our customers. Our experienced underwriters have comprehensive technical knowledge and work with you to create the best solution.

As a complimentary benefit, Arch's customers are provided access to KellerOnline, an all-in-one safety resource. Our partnership with J.J. Keller provides our valued clients the ability to enhance their risk control programs and training efforts to a level we all strive to achieve in preventing loss. When claims do occur, our dedicated Excess Workers' Compensation Claim Account Managers are responsible for account management and serve as a resource for partnered TPAs and insureds for complex claims handling.

Excess Workers' Compensation Benefits

- Empowered decision-makers able to provide quick turnarounds.
- Knowledgeable underwriters who accurately analyze exposure and loss experience.
- Collaborative team comprised of underwriters, claims managers and actuaries who are focused on long-term partnerships.
