Surety

archinsurance.com

Arch's Surety group provides a broad range of surety products for construction and commercial enterprises. We strive to make Arch your surety of choice for your contract, commercial and transactional needs.

Surety Benefits

- Specialists in contract, commercial and transactional surety.
- Committed to long-term partnerships with our customers.
- Rated A+ XV by A.M. Best.
- Rated A+ by Standard & Poor's.
- Solution-driven.
- Responsive.

Arch's Surety group has the **expertise** in writing bonds for accounts in various types of industries with diverse capital structures. We are able to **respond thoughtfully** to the needs of our agents and brokers, providing them with the solutions they need to meet their clients' requests. Our **flexible** approach allows us to evaluate each account on its own merits and provide an **account-specific solution**. With an approach rooted in underwriting discipline, Arch's Surety group is comprised of **experienced** and **skilled professionals**. Our solid financial strength and diverse product lines support our capabilities to write aggregate programs up to \$350M.

BUSINESS SEGMENTS

- Contract.
- Commercial.
- Transactional.

ADMITTED STATUS

- Arch Insurance Company is licensed to write bonds in all 50 states, Puerto Rico, U.S. Virgin Islands and Canada.

DISTRIBUTION

- Arch's Surety group works with agents and brokers specializing in surety (NASBP, National brokers). Consistent with our appetite we invite agents and brokers to inquire about an appointment with Arch's Surety group.
