Hospitals & Healthcare Systems Primary Coverage Excess & Umbrella Coverage

Arch's Healthcare Liability group provides medical professional and general liability insurance for the healthcare industry. We are solution-driven, with coverage options ranging from small, single location primary coverage to complex, multi-location organizations that require excess or umbrella coverage.

CUSTOMER PROFILE

Arch's Healthcare Liability group targets a wide variety of hospitals from large integrated delivery systems to specialty hospitals. Our coverage structure is built to suit a client's unique needs, which vary from primary coverage in selected venues to large self-insured retentions or even captive reinsurance arrangements. Our dedicated service team comprised of underwriting, claim, risk management and actuarial specialists work closely with hospitals to meet their unique needs.

PRIMARY COVERAGE

FEATURES

- Comprehensive coverage that can include multi-state accounts with employed physicians, with the ability to satisfy a wide range of coverage needs, including prior acts coverage.
- Defense costs outside the limits of liability.
- A range of deductibles.
- Our healthcare dedicated claim consultants work exclusively on healthcare accounts, and provide responsive and professional claim management.
- For larger healthcare organizations, we have the ability to customize our excess & umbrella products to address a wide variety of coverage needs.

Hospitals & Healthcare Systems Primary Coverage Excess & Umbrella Coverage

For nearly 20 years, Arch Insurance has been consistently dedicated to the Healthcare Liability space. Arch's Healthcare Liability group is uniquely positioned to capitalize on dislocation in the marketplace by providing solutions in targeted classes to our broker partners. While other markets are playing defense, we are on the offensive.

PRIMARY COVERAGE

Arch's Healthcare Liability group provides comprehensive coverage to a wide range of organizations and providers that focus on healthcare delivery outside of the traditional inpatient setting. Our customers include home health organizations, labs, clinics, diagnostic centers, surgery centers and over 50 other classifications. We also have the unique ability to find creative solutions for non-traditional and emerging healthcare organizations.

EXCESS & UMBRELLA COVERAGE

Large healthcare organizations often need comprehensive and creative coverage solutions. Arch's Healthcare Liability group is able to respond to those needs with options for provider groups, clinics, hospitals, healthcare systems, as well as domestic and offshore captives. We believe in a collaborative team approach to address the specific requirements of large healthcare organizations. Our dedicated service team is comprised of staff from underwriting, claims, risk management and actuarial. Together we work to find solutions for each customer.

Healthcare Liability Benefits

- In-house claims handling in order to achieve cost efficient, superior results.
