For nearly 20 years, Arch Insurance has been consistently dedicated to the Healthcare Liability space. Arch's Healthcare Liability group is uniquely positioned to capitalize on dislocation in the marketplace by providing solutions in targeted classes to our broker partners. While other markets are playing defense, we are on the offensive.

PRIMARY COVERAGE

Arch's Healthcare Liability group provides comprehensive coverage to a wide range of organizations and providers that focus on healthcare delivery outside of the traditional inpatient setting. Our customers include home health organizations, labs, clinics, diagnostic centers, surgery centers and over 50 other classifications. We also have the unique ability to find creative solutions for non-traditional and emerging healthcare organizations.

EXCESS & UMBRELLA COVERAGE

Large healthcare organizations often need comprehensive and creative coverage solutions. Arch's Healthcare Liability group is able to respond to those needs with options for provider groups, clinics, hospitals, healthcare systems, as well as domestic and offshore captives. We believe in a collaborative team approach to address the specific requirements of large healthcare organizations. Our dedicated service team is comprised of staff from underwriting, claims, risk management and actuarial. Together we work to find solutions for each customer.

Healthcare Liability Benefits

- In-house claims handling in order to achieve cost efficient, superior results.
- Risk management, actuarial, comprehensive and bespoke solutions.
- Service driven delivery of core products leads to speed of service, policy issuance and processing.
- Investing in operational service leads to responsiveness and customer driven service.
- Broad coverage form.
- A.M. Best Rated A+ with conservative positioning in Arch portfolio of specialty niches.
- Creative solutions oriented underwriting team.
- Collaborative, friendly, valued oriented culture.
- Green operations to promote an eco-friendly future.
