Subject to this, We will pay the cost of getting the opinion, if the expert's opinion indicates that it is more likely than not that the Insured Person will recover damages (or obtain any other legal remedy that We have agreed to) or make a successful defence. This does not affect the Insured Person's rights under Conditions applicable to The Legal Expenses Section: 8 Arbitration.

Arbitration

If there is a disagreement about the handling of a claim and it is not resolved through Our internal complaints procedure the Financial Ombudsman Service may be able to help. This is a free complaint resolution service for eligible complaints. (Details available from www.financial-ombudsman.org.uk)

Alternatively, there is a separate arbitration process available that can be used to settle any dispute with Us. The arbitrator will be a jointly agreed barrister, solicitor or other suitably qualified person. If there is a disagreement over the choice of arbitrator, We will ask the Chartered Institute of Arbitrators to decide. The arbitrator will decide who will pay the costs of the arbitration. For example, costs may be split between the parties or one party may pay all the costs.
