

ARCH RISK MANAGEMENT

Arch Risk Management (ARM) is an easy-access online portal, offered alongside our market-leading commercial insurance to provide businesses with an integrated approach to commercial risk.

This solution enables businesses to effectively manage all aspects of staff employment and workplace safety, ensuring that:

- Your business is totally compliant with current law.
- Systems are in place to promote employee safety and defend your business from personal injury claims.
- Robust procedures are in place and will stand up to the Health & Safety Executive inspection.

How ARM can support your business:

- Self-assessment (gap analysis).
- Ask the Expert accessible 24/7.
- Industry guides for key business areas.
- Health & Safety and Human Resources support.
- Business continuity portal.
- Document manager to store records in one easily accessible location.
- News alerts on legislative changes / business interests.
