## Arch Insurance International in the London Market

We continue to strengthen our presence in the market and increase our relevance to our brokers. We plan to continue to grow our product lines with an aim to become a top 10 insurer, based on GWP. Analysis of our current trajectory shows we are on track:

### GWP Growth

In Lloyd’s, in addition to strong capacity growth through Syndicate 2012 and Syndicate 1955, we are maintaining our split-stamp strategy as well as further developing our lead capacity in many of our business lines.

Our strategy is founded upon our commitment to high levels of service and responsive underwriting that underpin our Pursuing Better Together® brand promise.

## Pursuing Better Together®

Pursuing Better Together encapsulates how we always aspire to do business at Arch Insurance.

It is an approach that is based on collaboration, responsiveness and a genuine commitment to continually raising the bar.

It is our promise to our brokers, colleagues and other partners to:

- Listen, share insights and work together to deliver informed solutions.
- Build trusting, respectful and responsive relationships.
- Understand your goals and explore possibilities together.
