Arch Insurance International in the London Market

We continue to strengthen our London Market presence and increase our relevance to our brokers.

In 2022 we plan to underwrite approximately \$2bn in GWP across more than 20 lines of business in the London Market. Our aim is to become a Top 10 London Market insurer, based on GWP, in the next three years. Based on our current trajectory, we are on track:

GWP Growth

In Lloyd's, in addition to strong capacity growth through Syndicate 2012 and Syndicate 1955, we are maintaining our split-stamp strategy as well as further developing our lead capacity in many of our business lines.

Our strategy is founded upon our commitment to high levels of service and responsive underwriting that underpin our Pursuing Better Together® brand promise.
