

EVENT CANCELLATION – CYBER COVERAGE

Range of Coverage

- Cyber extension to an event cancellation policy.
- Cancellation, abandonment, curtailment, interruption, postponement, or relocation of the insured event resulting from a cyber act* or computer system failure.**
- Coverage for third party infrastructure which includes the failure or interruption to telecommunications, internet service, satellite, cable, electricity, gas, water, or utility service provider.

*Cyber act means an unauthorised, malicious or criminal act.

**Computer system failure means unavailability or failure of a computer system.

Security Incident Response

Our insureds benefit from access to security incident response counsel from specialist and experienced partners to help navigate a cyber act efficiently. Coverage for security incident response services include:

- Forensic investigation.
- Legal services.
- Public relations.
