

## Marine Trades

### Core Appetite

Our Marine Trades insurance is designed to provide organisations, operating in the marine sector, with a comprehensive range of covers within a single policy. Core coverage includes property, employers' liability, third party liability, vessels and legal expenses. In addition, it also provides professional indemnity and management liability insurance.

### Key Features

- Combined property - £20m, EL - £10m, Third Party Liability - £5m, Vessels - £5m, Supplementary - £0.5m.
- Combined product including supplementary covers - negating standalone purchases.
- In-house claims service.
- Min Premiums: c.£1,000.
- No legacy.
- Quick response to enquiries.
- Experienced empowered underwriters.
- Risk management solutions available and embedded legal expenses.
- 100% lines.

### Target business includes

-  Boat builders, repairers.
-  Boat dealers, brokerages, chandlers.
