The Employers' Liability (Compulsory Insurance Amendment) Regulations 2008 remove the requirement for You to retain copies of Certificates of Employers Liability Insurance that have expired for at least 40 years However it is still good business practice to retain the certificates because certain claims eg disease could be made many years after the disease is caused and if Your insurer cannot be identified You could be liable for any payments.

Arch Fair Processing Notice

The privacy and security of your information is important to us. This notice explains who we are, the types of information we hold, how we use it, who we share it with and how long we keep it. It also informs you of certain rights you have regarding your personal information under current data protection law. The terms used in this Fair Processing Notice relate to the Information Commissioner's Office guidance.

Who are we?

Arch Insurance (UK) Limited is part of the Arch Insurance group ("Arch"). Arch is the Data Controller of the information you provide us and is registered with the Information Commissioner's Office for the products and services we provide to you.

You can contact us for general data protection queries by email to DPO@archinsurance.co.uk or in writing to Compliance Team, 5th Floor Plantation Place South, 60 Great Tower Street, London EC3R 5AZ. Please advise us of as much detail as possible to comply with your request.

We may need to request and collect sensitive personal information such as details of convictions or medical history that are necessary for providing you with the product, service or for processing a claim.

We only collect and process sensitive personal data where it is critical for the delivery of a product or service and without which the product or service cannot be provided. We will therefore not seek explicit consent to process this information as the processing is legitimised by its criticality to the service provision. If you object to use of this information then we will be unable to offer you the product or service requested.

How do we use your personal information?

We will use your personal information to

- assess and provide the products or services that you have requested

- undertake statistical analysis

We may also take the opportunity to

- contact you about products that are closely related to those you already hold with us
- provide additional assistance or tips about these products or services

We make outbound phone calls for a variety of reasons relating to many of our products or services (for example, to update you on the progress of a claim or to discuss renewal of your insurance contract). We are fully committed to the regulations set out by Ofcom and follow strict processes to ensure we comply with them.

To ensure confidentiality and security of the information we hold, we may need to request personal information and ask security questions to satisfy ourselves that you are who you say you are.

We may aggregate information and statistics on website usage or for developing new and existing products and services, and we may also provide this information to third parties. These statistics will not include information that can be used to identify any individual.

Securing your personal information

We follow strict security procedures in the storage and disclosure of your personal information in line with industry practices, including storage in electronic and paper formats.

We store all the information you provide to us, including information provided via forms you may complete on our websites, and information which we may collect from your browsing (such as clicks and page views on our websites).

Any new information you provide us may be used to update an existing record we hold for you.

When do we share your information?

To help us prevent financial crime, your details may be submitted to fraud prevention agencies and other organisations where your records may be searched, including the Claims and Underwriting Exchange (CUE) and the Motor Insurers Anti-Fraud and Theft Register (MIAFTR).

In addition to companies within the Arch Insurance group, third parties (for example insurers or loss adjusters) deliver some of our products or provide all or part of the service requested by you. In these instances, while the information you provide will be disclosed to these companies, it will only be used for the provision and administration of the service provided (for example verification of any quote given to you or claims processing, underwriting and pricing purposes or to maintain management information for analysis).

This may also include conducting a search with a credit reference bureau or contacting other firms involved in financial management regarding payment.

The data we collect about you may be transferred to, and stored at, a destination outside of the European Economic Area ("EEA"). It may also be processed by staff operating outside of the EEA who work for us or for one of our suppliers. Such staff may be engaged in, amongst other things, the provision of information you have requested.

If we provide information to a third party we will require it and any of its agents and/or suppliers to take all steps reasonably necessary to ensure that your data is treated securely and in accordance with this fair processing notice.

We may of course be obliged by law to pass on your information to the police or other law enforcement body, statutory or regulatory authority including but not limited to the Employer's Liability Tracing Office (ELTO) and the Motor Insurance Bureau (MIB).

We may also share your information with anyone you have authorised to deal with us on your behalf.

How long do we keep your information for?

We will not keep your personal information longer than is necessary for the purpose for which it was provided unless we are required by law or have other legitimate reasons to keep it for longer (for example if necessary for any legal proceedings).

We will normally keep information for no more than 6 years after termination or cancellation of a product, contract or service we provide. In certain cases, we will keep your information for longer, particularly where a product includes liability insurances or types of insurance for which a claim could potentially be made by you or a third party at a future date, even after your contract with us has ended.

Your rights

Under data protection law you have the right to change or withdraw your consent and to request details of any personal data that we hold about you.

Where we have no legitimate reason to continue to hold your information, you have the right to be forgotten.

We may use automated decision making in processing your personal information for some services and products. You can request a manual review of the accuracy of an automated decision that you are unhappy with.

Further details of your rights can be obtained by visiting the Information Commissioner's Office website at <https://ico.org.uk/>.

IMPORTANT NOTICE - MOTOR INSURANCE DATABASE (MID)

Uninsured drivers currently cost UK motorists over £400 million per year. This means every time you pay your insurance premium a portion of this amount goes to pay for these illegal road users. To tackle this problem the Motor Insurance Database (MID) was established.

The Police make approximately 2 million enquiries per month on the MID to check if vehicles have insurance and as a result of this seize nearly 140,000 uninsured vehicles a year.

By making sure your motor trade vehicles are correctly added to the MID when they go on cover, and are then removed when they come off cover, you are helping the Police to concentrate on those vehicles that are actually uninsured. You may also save your drivers the inconvenience and potential embarrassment of being stopped by the Police, as well as the costs associated with recovering vehicles that have been seized.

DVLA can penalise the registered keepers of vehicles that are not insured. As part of this Continuous Insurance Enforcement (CIE) policy the DVLA will compare its records with details of all vehicles currently on cover that are held on the MID. It is therefore important that your vehicle details have been added to the MID.

What this means in Practice.

We will supply details of Your policy such as policyholder name address policy number and inception and expiry date to the MID. The regulations place a direct obligation on You to load Your Vehicle details at inception and update the MID immediately for any Vehicle acquisition or disposal.

Which vehicles should You add on the MID

- All permanent Vehicles insured on Your motor trade policy which are Your property
- Trade Plates
- Temporary Vehicles

You do not need to add stock Vehicles on the MID

You will need to submit the Vehicle information direct to the MID online at the MID website www.midportal.org.uk

You will need a security code to access the website and load and update your vehicles. For more information on how to obtain this please contact the Arch MID helpline on 0808 234 4265 (freephone) or email midhelpdesk@archinsurance.co.uk

It is important that Your Vehicle details are up to date on the MID or Your Vehicle may be seized by the Police.

Please be aware that if You refuse or fail to maintain or supply the information You will be guilty of an offence and shall be liable on conviction of a fine up to £5,000

Additional information

Additional information can be obtained on the MID from the following website www.mib.org.uk

Motor Legal Protection Section

DAS Legal Expenses Insurance Company Limited (DAS) is the underwriter and provides the insurance for this Section. The general conditions and general exceptions apply to this Section.

Keep this document in a safe place as You will need to refer to it if You need to make a claim.

If an Insured Person is involved in an accident, remember to write down as many details as possible, including the names and addresses of anyone who may have seen the accident.

Motor legal protection is designed to help an Insured Person if a motor accident was not their fault and they have suffered an injury, need a replacement hire vehicle, or incurred other losses which are not covered under Your Motor Trade Policy. They should also be read in conjunction with the general definitions of the Motor Trade Policy. If there is a conflict between a definition in this Section and a definition elsewhere in this Policy, the definition in this Section will apply.

- (a) For civil cases and insured incident 5 Hire assist, the date of the event that leads to a claim. If there is more than one event arising at different times from the same originating cause, the Date of Occurrence is the date of the first of these events. How We can help

If an Insured Person is involved in an accident which was not their fault, We will help them recover their Uninsured Losses from the person who caused the accident, either through Our Motor Claims Centre or by appointing a lawyer. Uninsured Losses could include the cost of repairing or replacing the Insured Vehicle, Your Motor Trade Policy excess, compensation following injury, or other out-of-pocket expenses.

If the accident was entirely the other person's fault and the Insured Vehicle cannot be driven, We can arrange to supply You with a comparable replacement hire vehicle under insured incident 4 Replacement hire vehicle, until the Insured Vehicle can be repaired.

We will do so only if You meet the hire company's terms and conditions of hire. For Us to provide a replacement hire vehicle, the driver at fault must have valid motor insurance and be identified or traced. This service is available in England and Wales, on the mainland of Scotland and Northern Ireland, and the Isle of Man, Jersey and Guernsey.

Please note there may sometimes be circumstances, such as local unavailability, in which We are unable to provide a comparable replacement vehicle. In such cases, We will try to provide an alternative replacement vehicle. If this is not possible, We will still seek to recover Your Uninsured Losses for the loss of use of the Insured Vehicle.

Where the driver at fault is uninsured or cannot be traced, We will assist You in making a claim to the Motor Insurers' Bureau.

We can also defend an Insured Person against motoring prosecutions and assist You in contract disputes related to the Insured vehicle.

Hire assist provides a small commercial van for up to 14 days if the Insured Vehicle is stolen and not recovered or is undriveable following theft, an attempted theft, fire or vandalism, or is declared a total loss by Your insurer following an accident.
