About Arch Insurance International

- Arch Insurance International, part of the Arch Capital Group, is a market-leading insurer located in the UK. We provide a range of property, casualty, and specialty insurance for corporations, professional firms, and financial institutions across the UK, Europe and Internationally, with a significant presence in the Lloyd’s and London Underwriting market.
- Arch Insurance recognizes the need to be a digital insurer and as such has shifted focus from traditional technology initiatives to agile driven digital initiatives, leading the commercial & specialty insurance space. Arch offers an entrepreneurial work environment that empowers the individual and encourages constant learning and growth.
- People are at the centre of everything we do at Arch, and we are passionate about investing in the future talent of the insurance industry and providing early career paths where everyone can thrive. Our range of UK early careers programmes include summer internships, commercial insurance apprenticeships and graduate programmes.

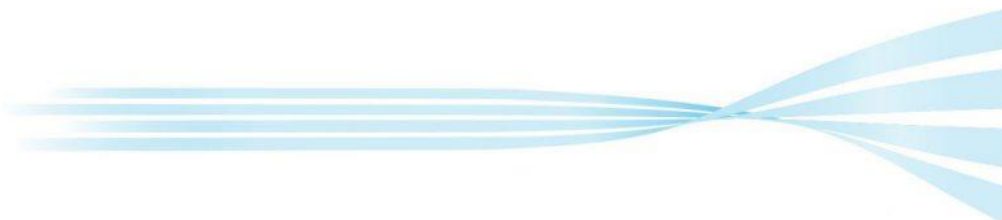

Summer Internship Programme

The Operations Summer Internship will be an 8-week focused placement, targeted to students entering the penultimate year of their undergraduate or graduate education. This will be an opportunity for the intern to embed themselves into the Operations department within Arch to obtain knowledge and professional skills, whilst gaining a comprehensive understanding of the distinct roles within the team.

The Operations department works alongside the underwriters and the wider business supporting the organisation in the processing of underwriting risks, the due diligence and oversight of third-party arrangements (coverholders and brokers), and the delivery of key strategic projects and process improvement initiatives. Operations maintains a significant role in the Lloyd’s central processing activity which sits at the heart of the London Insurance Market.

Throughout the 8 weeks you will have the opportunity to:

- Work across the key departments making up Operations (Operational Processing, Delegated Underwriting, Bordereaux Management and Broker Oversight)
- Assist in the governance and oversight of the function
- Work with the Operations team to review and report service level performance
- Work with the Delegated Underwriting and bordereaux management team to monitor third party arrangements and performance
- Review processes and identify process improvement and enhanced control opportunities.
- Networking opportunities with our Underwriters and experts
- Work independently on projects
