

Additional Construction Questionnaire

Basement work

1. Have you ever undertaken any contracts involving a basement? If so please complete the attached Questionnaire.
2. Do you have any future basement work planned? If so please provide details here:-

Swimming pool work

1. How many swimming pool contracts have you undertaken?
2. Are any currently on site?
3. Is the pool part of a larger overall contract? (i.e. a pool within a house)
4. What services did you provide?
5. Are you responsible for any technical specifications of the pool?
6. Are you responsible for the filtration systems?
7. Are specialist contractors appointed for any of the works? If so are contract terms back to back and covered by third party PI insurance?
8. Are the contractors directly appointed by you or by your client?
9. Do you have any future swimming pool work planned? If so please provide details here:-
