

Step-by-step guide

# Sign up to Arch Risk Management

Arch Risk Management is an online risk management portal, enabling businesses to effectively manage all aspects of staff employment and workplace safety to comply with current UK law. The portal is available for eligible commercial combined and property owner policyholders.

## For policyholders:

Click here <https://www.archriskmanagement.co.uk/signup/> and fill out the online form in two minutes. Once complete, you'll receive an instant welcome email and access to the entire portal. It's that easy.

## For brokers:

To sign up your client directly, click here <https://www.archriskmanagement.co.uk/signup/indexbroker.cfm>
